1.1 SERVICES REQUIRED

The District seeks an agreement to continue pager services from Spok Inc. for products and services that are available through the GSA Contract # GSA-FSS-GS-35F-0262T. The service allows the District to maintain an emergency response posture to incidents and conditions for the protection of public health and safety. The District currently has 365 pagers which are distributed to District employees who perform services either directly related with emergency response functions supporting the District on a daily basis or provide additional support functions on an as-needed basis when an incident arises.

1.2 INDEFINITE DELIVERY- INDEFINITE QUANTITY (IDIQ) CONTRACT

This is an IDIQ contract for the supplies or services specified, and effective for the period stated.

a. Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering Clause, Section 5. The Contractor shall furnish to the District, when and if ordered, the supplies or services specified in the Schedule up to and including the maximum amount of $19,800.00 for the base term and $19,800.00 for each option year.
