I.11 DISPUTES

Delete clause 14, Disputes, of the Standard Contract Provisions dated July 2010 for use with District of Columbia Government Supplies and Services Contracts and substitute the following clause 14, Disputes) in its place:

14. Disputes

All disputes arising under or relating to the contract shall be resolved as provided herein.

(a) Claims by the Contractor against the District: Claim, as used in paragraph (a) of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

1. All claims by a Contractor against the District arising under or relating to a contract shall be in writing and shall be submitted to the CO for a decision. The Contractor’s claim shall contain at least the following:

(i) A description of the claim and the amount in dispute;
(ii) Data or other information in support of the claim;
(iii) A brief description of the Contractor’s efforts to resolve the dispute prior to filing the claim; and
(iv) The Contractor’s request for relief or other action by the CO.

2. The CO may meet with the Contractor in a further attempt to resolve the claim by agreement.

3. The CO shall issue a decision on any claim within 120 calendar days after receipt of the claim. Whenever possible, the CO shall take into account factors such as the size and complexity of the claim and the adequacy of the information in support of the claim provided by the Contractor.

4. The CO’s written decision shall do the following:

(i) Provide a description of the claim or dispute;
(ii) Refer to the pertinent contract terms;
(iii) State the factual areas of agreement and disagreement;
(iv) State the reasons for the decision, including any specific findings of fact; although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
(v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;

(vi) Indicate that the written document is the CO’s final decision; and

(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.

(6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor’s claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

(7) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.

(b) Claims by the District against the Contractor: Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(1) The CO shall decide all claims by the District against a contractor arising under or relating to a contract.

(2) The CO shall send written notice of the claim to the contractor. The CO’s written decision shall do the following:

(i) Provide a description of the claim or dispute;
(ii) Refer to the pertinent contract terms;
(iii) State the factual areas of agreement and disagreement;
(iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
(v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
(vi) Indicate that the written document is the CO’s final decision; and
(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

(4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.

(5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle or determine.

(6) This paragraph shall not authorize the CO to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(c) Decisions of the CO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.

(d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.
