### **C.4 BACKGROUND**

- a) The Office of the Chief Technology Officer provides Disaster Recovery and Back up services to over 80 District Government agencies. The program would like to replace the old LT04 drives with current LTO Gen7. The Server-side agency clients have increased as our server virtualization efforts have expanded in the OCTO hosted Cloud based offerings. ECIS needs to enhance the current 2 Tape Silos by replacing the old 16 LT04 Drives with 16 LTO Gen7 drives, 8 at each data center, fully populating each silo for operational usage. The tape drive enhancement will provide additional capacity to build the new server Infrastructure, facilitate new projects for OCTO and the District's Agencies.
- b) (OCTO), Integrated Platform Services Division (IPS), has a continuing requirement to host applications deployed on the IBM Z-series server on behalf of the Department of Human Service, the Department of Motor Vehicles, the University of the District of Columbia (UDC), the Department of Employment Service, the Office of the Chief Financial Officer, and the Office of Tax and Revenue. OCTO's Enterprise Tape System (ETS) is an integral part of the hosting services provided by OCTO.
- c) The ETS is used to backup all Mainframe-based data on disk. Currently, the ETS uses Oracle/STK T10KB tape drives to back up the data. The T10KB's were purchased in 2010 and will soon be withdrawn from marketing. More importantly, the capacity and connectivity speed of the T10KD is eight (8) and four (4) times greater than that of the T10KBs, respectively.

  - (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.
- (5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.
- (6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

- (7) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.
- (b) **Claims by the District against the Contractor:** Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.
- (1) The CO shall decide all claims by the District against a contractor arising under or relating to a contract.
- (2) The CO shall send written notice of the claim to the contractor. The CO's written decision shall do the following:

  - (ii) Refer to the pertinent contract terms;
  - (iii) State the factual areas of agreement and disagreement;
  - (iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
  - (v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
  - (vi) Indicate that the written document is the CO's final decision; and
  - (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.
- (3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.
- (4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.
- (5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle or determine.
- (6) This paragraph shall not authorize the CO to settle, compromise, pay, or otherwise adjust any claim involving fraud.
- (c) Decisions of the CO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.

- (d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.
