(vi) Indicate that the written document is the CO’s final decision; and
(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.

(6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor’s claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

(7) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.

(b) Claims by the District against the Contractor: Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(1) The CO shall decide all claims by the District against a contractor arising under or relating to a contract.

(2) The CO shall send written notice of the claim to the contractor. The CO’s written decision shall do the following:

(i) Provide a description of the claim or dispute;
(ii) Refer to the pertinent contract terms;
(iii) State the factual areas of agreement and disagreement;
(iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;

(v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;

(vi) Indicate that the written document is the CO's final decision; and

(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

(4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.

(5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle or determine.

(6) This paragraph shall not authorize the CO to settle, compromise, pay, or otherwise adjust any claim involving fraud.

(c) Decisions of the CO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.

(d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.

I.12 CHANGES

Delete clause 15, Changes, of the Standard Contract Provisions dated July 2010 for use with District of Columbia Government Supplies and Services Contracts and substitute the following clause 15, Changes, in its place:

15. Changes:

(a) The CO may, at any time, by written order, and without notice to the surety, if any, make changes in the contract within the general scope hereof. If such change causes an increase or decrease in the cost of performance of the contract, or in the time required for performance, an equitable adjustment shall be made. Any claim for adjustment for a change within the general scope must be asserted within ten (10) days from the date the change is ordered; provided, however, that the CO, if he or she determines that the facts justify such action, may receive, consider and adjust any such claim asserted at any time prior to the date of final
settlement of the contract. If the parties fail to agree upon the adjustment to be made, the dispute shall be determined as provided in clause 14 Disputes.

(b) The District shall not require the Contractor, and the Contractor shall not require a subcontractor, to undertake any work that is beyond the original scope of the contract or subcontract, including work under a District-issued change order, when the additional work increases the contract price beyond the not-to-exceed price or negotiated maximum price of this contract, unless the CO:

(1) Agrees with Contractor, and if applicable, the subcontractor on a price for the additional work;
(2) Obtains a certification of funding to pay for the additional work;
(3) Makes a written, binding commitment with the Contractor to pay for the additional work within 30-days after the Contractor submits a proper invoice; and
(4) Provides the Contractor with written notice of the funding certification.

(c) The Contractor shall include in its subcontracts a clause that requires the Contractor to:

(1) Within 5 business days of its receipt of notice the approved additional funding, provide the subcontractor with notice of the amount to be paid to the subcontractor for the additional work to be performed by the subcontractor;
(2) Pay the subcontractor any undisputed amount to which the subcontractor is entitled for the additional work within 10 days of receipt of payment from the District; and
(3) Notify the subcontractor and CO in writing of the reason the Contractor withholds any payment from a subcontractor for the additional work.

(d) Neither the District, Contractor, nor any subcontractor may declare another party to be in default, or assess, claim, or pursue damages for delays, until the parties to agree on a price for the additional work.

1.13 NON-DISCRIMINATION CLAUSE

Delete clause 19, Non-Discrimination Clause, of the Standard Contract Provisions dated July 2010 for use with District of Columbia Government Supplies and Services Contracts and substitute the following clause.19, Non-Discrimination Clause, in its place:

19. Non-Discrimination Clause:

(a) The Contractor shall not discriminate in any manner against any employee or applicant for employment that would constitute a violation of the District of Columbia Human Rights Act, effective December 13, 1977, as amended (D.C. Law 2-38; D.C. Official Code § 2-1401.01 et seq.) ("Act", as used in this clause). The Contractor shall include a similar clause in all subcontracts, except subcontracts for standard commercial supplies or raw materials. In addition, the Contractor agrees, and any subcontractor shall agree, to post in conspicuous places, available to employees and applicants for employment, a notice setting forth the provisions of this non-discrimination clause as provided in section 251 of the Act.
(b) Pursuant to Mayor’s Order 85-85, (6/10/85), Mayor’s Order 2002-175 (10/23/02), Mayor’s Order 2011-155 (9/9/11) and the rules of the Office of Human Rights, Chapter 11 of Title 4 of the D.C. Municipal Regulations, the following clauses apply to the contract:

(1) The Contractor shall not discriminate against any employee or applicant for employment because of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. Sexual harassment is a form of sex discrimination which is prohibited by the Act. In addition, harassment based on any of the above protected categories is prohibited by the Act.

(2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. The affirmative action shall include, but not be limited to the following:

(a) employment, upgrading or transfer;
(b) recruitment, or recruitment advertising;
(c) demotion, layoff or termination;
(d) rates of pay, or other forms of compensation; and
(e) selection for training and apprenticeship.

(3) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting agency, setting forth the provisions in paragraphs 19(b)(1) and (b)(2) concerning non-discrimination and affirmative action.

(4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in paragraph 19(b)(2).

(5) The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting agency, advising the said labor union or workers’ representative of that contractor’s commitments under this nondiscrimination clause and the Act, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or
designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms of any subcontract agreement each subcontractor to permit access of such subcontractors’ books, records, and accounts for such purposes.

(7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights, or any authorized official.

(8) The Contractor shall include in every subcontract the equal opportunity clauses, i.e., paragraphs 19(b)(1) through (b)(9) of this clause, so that such provisions shall be binding upon each subcontractor.

(9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.
