H.14 ETHICAL OBLIGATIONS AND LEGAL CONFLICTS OF INTEREST

H.14.1 An attorney-client relationship will exist between the District and any attorney who performs work under the contract, as well as between the District and the firm of any attorney who performs work under the contract. The D.C. Rules of Professional Conduct (RPC) and the ethical rules of any other jurisdiction in which work is performed are binding on the Contractor. The parties agree that the District may have a contractual cause of action based on violation of such rules, in addition to any other remedies available.

H.14.2 In addition to the prohibitions contained in the RPC and the ethical rules of any other jurisdiction in which work is performed, the Contractor agrees that it shall recognize that in the performance of the contract it may receive certain information submitted to the District government on a proprietary basis by third parties, information which relates to potential or actual claims against the District government, or information which relates to matters in dispute or litigation. Unless the District consents to a particular disclosure, the Contractor shall use such information exclusively in the performance of the contract and shall forever hold inviolate and protect from disclosure all such information, except disclosures required by applicable law or court order. The Contractor also agrees that, to the extent it is permitted to disclose such information, it will make such disclosures only to those individuals who need to know such information in order to perform required tasks in their official capacity and will restrict access to such information to such individuals.

H.14.3 Before any contractor can be retained to perform legal services under the contract, on behalf of the District government, the Attorney General for the District of Columbia must review and waive all actual or potential direct and indirect conflicts of interest pursuant to RPC 1.6, 1.7, 1.8, 1.9 and 1.10. After notice of its selection, each prospective contractor shall provide the Attorney General with the following: (1) a written statement that there exists no Rule 1.7(a) direct conflict of interest regarding the work to be performed under the contract; (2) a written description of all actual or potential conflicts of interest regarding the work to be performed under the contract that require waiver pursuant to Rule 1.7(b) because the contractor represents another client in a matter adverse to any of the following: (i) the District government agency or instrumentality to be represented under the contract; (ii) the District government as a whole; or (iii) any other agency or instrumentality of the District government (for this purpose, under D.C. Bar Legal Ethics Committee Opinion No. 268, a
representation of a private client against a discrete government agency or instrumentality can have government-wide implications and thus constitute a representation adverse to the government as a whole pursuant to the RPC; and (3) a written description of all representations of clients who are or will be adverse to the District government with regard to the work to be performed under the contract, whether or not such representations are related to the matter for which the work is to be performed under the contract.

H.14.4 The Attorney General generally does not grant prospective conflict of interest waivers, except in certain pro bono matters. Thus, in addition to the prohibitions contained in the RPC and the ethical rules of any other jurisdiction in which work is performed under the contract, without the consent of the Attorney General, the Contractor shall not represent any party other than the District in any disputes, negotiations, proceedings or litigation adverse to any agency or instrumentality of the District government or the District government as a whole, including, but not limited to, matters related to the work to be performed under the Contract. The Contractor shall notify the Attorney General immediately, in writing, of any potential conflicts of interest (as defined in the RPC) that arise during the period that the Contractor is performing work under the contract. The Attorney General makes every attempt to be reasonable in deciding whether or not to consent to a conflict of interest and usually makes this decision promptly after receiving notice and sufficient information regarding the conflict. If the Attorney General does not waive a conflict of interest, the Contractor shall undertake immediate action to eliminate the source of any such conflict of interest.

H.14.5 Before any contractor can be retained pursuant to the contract, the Attorney General for the District of Columbia must review all actual, direct and potential conflicts of interest on behalf of the District government in light of D.C. Bar Rules of Professional Conduct (“RPC”) 1.6, 1.7, 1.8, 1.9 and 1.10. Each prospective contractor shall provide the Attorney General with written notice of all actual or potential direct and indirect conflicts of interest in which the Contractor represents (or may represent) another client with interests adverse to the District government agency to be represented as well as against the District government as a whole. For this purpose, under D.C. Bar Legal Ethics Committee Opinion No. 268, attached as Attachment J.10 hereto, a representation of a private client against a discrete government agency can have government-wide implications and thus qualify under the RPC as being against the government as a whole, including the individual agency that the private firm represents. In that situation, the private firm would be required to notify the Attorney General of the existence of a conflict under RPC 1.7 and obtain consent to such representation and waiver of the conflict. The Attorney General makes every attempt to be reasonable in deciding whether or not to consent to a conflict and usually makes this decision promptly after receiving notice of the conflict.

All disputes arising under or relating to the contract shall be resolved as provided herein.
(a) **Claims by the Contractor against the District**: Claim, as used in paragraph (a) of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(1) All claims by a Contractor against the District arising under or relating to a contract shall be in writing and shall be submitted to the CO for a decision. The Contractor's claim shall contain at least the following:

(vi) Indicate that the written document is the CO's final decision; and
(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.

(6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the
unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor’s claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

(iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
(v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
(vi) Indicate that the written document is the CO’s final decision; and
(vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

Any claim for adjustment for a change within the general scope must be asserted within ten (10) days from the date the change is ordered; provided, however, that the CO, if he or she determines that the facts justify such action, may receive, consider and adjust any such claim asserted at any time prior to the date of final settlement of the contract. If the parties fail to agree upon the adjustment to be made, the dispute shall be determined as provided in clause 14 Disputes.

(b) The District shall not require the Contractor, and the Contractor shall not require a subcontractor, to undertake any work that is beyond the original scope of the contract or subcontract, including work under a District-issued change order, when the additional work increases the contract price beyond the not-to-exceed price or negotiated maximum price of this contract, unless the CO:

19. Non-Discrimination Clause:

(a) The Contractor shall not discriminate in any manner against any employee or applicant for employment that would constitute a violation of the District of Columbia Human Rights Act, effective December 13, 1977, as amended (D.C. Law 2-38; D.C. Official Code § 2-1401.01 et seq.) ("Act", as used in this clause). The Contractor shall include a similar clause in all subcontracts, except subcontracts for standard commercial supplies or raw materials. In addition, the Contractor agrees, and any subcontractor shall agree, to post in conspicuous places, available to employees and applicants for employment, a notice setting forth the provisions of this non-discrimination clause as provided in section 251 of the Act.

(a) Pursuant to Mayor’s Order 85-85, (6/10/85), Mayor’s Order 2002-175 (10/23/02), Mayor’s Order 2011-155 (9/9/11) and the rules of the Office of Human Rights, Chapter 11 of Title 4 of the D.C. Municipal Regulations, the following clauses apply to the contract:

Sexual harassment is a form of sex discrimination which is prohibited by the Act. In addition, harassment based on any of the above protected categories is prohibited by the Act.

(2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. The affirmative action shall include, but not be limited to the following:

(4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in paragraph 19(b)(2).

(5) The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting agency, advising the said labor union or workers' representative of that contractor's commitments under this nondiscrimination clause and the Act, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors' books, records, and accounts for such purposes.

(7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights, or any authorized official.

(8) The Contractor shall include in every subcontract the equal opportunity clauses, i.e., paragraphs 19(b)(1) through (b)(9) of this clause, so that such provisions shall be binding upon each subcontractor.

(9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.
