1.   PRODUCT REQUIRED:

The Government of the District of Columbia, Office of the Chief Technology Officer (OCTO) has a requirement to procure software licensing and maintenance of software licensing for the Oracle SOA Suite and associated products. The government may order additional Oracle SOA related licenses when government required.

2.   DCSS Contract NUMBER: CW63887

3.   TASK ORDER NO.: CW79588

4.   TERM OF CONTRACT:

The period of performance shall be from date of award through September 30, 2020.

5.   OPTION TO EXTEND THE TERM OF CONTRACT:

5.1   The District may extend the term of this contract for a period of (4) one-year option periods, or successive fractions thereof, by written notice to the Contractor before the expiration of the contract; provided that the District will give the Contractor preliminary written notice of its intent to extend at least thirty (30) days before the contract expires. The preliminary notice does not commit the District to an extension. The exercise of this option is subject to the availability of funds at the time of the exercise of this option. The Contractor may waive the thirty (30) day preliminary notice requirement by providing a written waiver to the Contracting Officer prior to expiration of the contract.

5.2   If the District exercises this option, the extended contract shall be considered to include this option provision.

5.3   The price for the option period(s) shall be as specified in the Section B of the contract. The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

6.   CONTRACTING OFFICER (CO)

Contracts may be entered into and signed on behalf of the District Government only by Contracting Officers. The name, address and telephone number of the Contracting Officer for this task order is:

> Chris Yi
> Office of Contracting and Procurement
> 200 I Street, SE Fifth Floor
> Washington, DC 20003
> Telephone: 202-724-5069
> E-mail: chris.yi@dc.gov

7. AUTHORIZED CHANGES BY THE CONTRACTING OFFICER

7.1 The CO is the only person authorized to approve changes in any of the requirements of this contract.

7.2 The Contractor shall not comply with any order, directive or request that changes or modifies the requirements of this contract, unless issued in writing and signed by the CO.

7.3 In the event the Contractor effects any change at the instruction or request of any person other than the CO, the change will be considered to have been made without authority and no adjustment will be made in the contract price to cover any cost increase incurred as a result thereof.

8. CONTRACT ADMINISTRATOR (CA)

8.1 The CA is responsible for general administration of the contract and advising the CO as to the Contractor's compliance or noncompliance with the contract. The CA has the responsibility of ensuring the work conforms to the requirements of the contract and such other responsibilities and authorities as may be specified in the contract. These include:

8.1.1 Keeping the CO fully informed of any technical or contractual difficulties encountered during the performance period and advising the CO of any potential problem areas under the contract;

8.1.2 Coordinating site entry for Contractor personnel, if applicable;

7.1.3 Reviewing invoices for completed work and recommending approval by the CO if the Contractor's prices and costs are consistent with the contractual amounts and progress is satisfactory and commensurate with the rate of expenditure;

8.1.4 Reviewing and approving invoices for deliverables to ensure receipt of goods and services. This includes the timely processing of invoices and vouchers in accordance with the District's payment provisions; and

8.1.5 Maintaining a file that includes all contract correspondence, modifications, records of inspections (site, data, equipment) and invoice or vouchers.

8.2 The address and telephone number of the CA is:

> Matt Sokol
> Program Manager
> Big Data& Data Integration
> Office of Chief Technology Officer
> Matthew.sokol@dc.gov
> 202-478-2439

8.3 The CA shall NOT have the authority to:

1. Award, agree to, or sign any contract, delivery order or task order. Only the CO shall make contractual agreements, commitments or modifications;
2. Grant deviations from or waive any of the terms and conditions of the contract;
3. Increase the dollar limit of the contract or authorize work beyond the dollar limit of the contract,
4. Authorize the expenditure of funds by the Contractor;
5. Change the period of performance; or
6. Authorize the use of District property, except as specified under the contract.

8.4 The Contractor will be fully responsible for any changes not authorized in advance, in writing, by the CO; may be denied compensation or other relief for any additional work performed that is not so authorized; and may also be required, at no additional cost to the District, to take all corrective action necessitated by reason of the unauthorized changes.

9. PAYMENT

a) The District will make payments to the Contractor, upon the submission of proper invoices, at the prices stipulated in this contract, for supplies delivered and accepted or services performed and accepted, less any discounts, allowances or adjustments provided for in this contract.

b) The District will pay the Contractor on or before the 30th day after receiving a proper invoice from the Contractor.

10. INVOICE SUBMITTAL

a) The Contractor shall submit payment requests in electronic format through the DC Vendor Portal www.vendorportal.dc.gov by selecting the applicable purchase order number which is listed on the Contractor's profile.

b) To constitute a proper invoice, the Contractor shall attach to all payment requests the invoice and all supporting documentation or information.

c) The Contractor shall submit proper invoices monthly or as otherwise specified in the contract.

ATTACHMENT A SOW

A.1   SCOPE:

The Government of the District of Columbia, Office of the Chief Technology Officer (OCTO) is seeking a contractor to provide software licensing and maintenance of software licensing for the Oracle SOA Suite and associated products. The government may order additional Oracle SOA related licenses when government required.

A.2   APPLICABLE DOCUMENTS

The following documents are applicable to this procurement and are hereby incorporated by this reference:

N/A

A.3   DEFINITIONS

These terms when used in this RFP have the following meanings:

Term	Definition
OCTO	Office of the Chief Technology Officer
SOA	Service Oriented Architecture

A.4   BACKGROUND

The DC OCTO Middleware team uses the Oracle SOA suite to perform data integrations for agencies through the District. This software platform has been key in enabling these data integrations between multiple agencies for very large systems in recent years. The growth in the use of this platform and the OCTO Middleware team has necessitated continual software maintenance of these products and the purchase of new licenses to support growth alongside the underlying infrastructure as the team and request projects expands.

A.5   REQUIREMENTS

The table below lists the current Oracle SOA products being used. This includes the ability to purchase new licenses or maintenance on existing licenses. DC OCTO reserves the right to add or remove products from this list at any time through a contract modification.
